

2008 YRA Championship Schedule

In 2008, the YRA of Long Island Sound will be holding their Championship events. Events with an asterisk * are stand alone and not part of a ladder program. If you are interested in competing in the US SAILING Men's or Women's Championships, you must apply by resume through YRA of Long Island Sound. From there, one or more sailors will go on to the Area B Semi-Finals. Contact your club's YRA delegate or the individual event coordinators to obtain a Notice of Race. Sailors who represent YRALIS in Area B events can apply for a modest stipend from the YRA to help defray their entry fee.
